# the story

At the Cape May Renaissance Faire, King Percival Ponce dePause is throwing a festival – BUT which queen is it in honor of?

Will it be Queen Willow along with her faithful protector and advisor Rowan Thistledown of the Land or Queen Tideborne and Lady Mira of the Sea?

Pip Quillwick will keep track while spilling all the kingdoms juicy secrets as Gulliver the patient keeps the King from wandering off while chasing fairies!

## our thanks

From the bottom of our hearts, from the bottom of our chalices, thank you.

This Faire has been a labor of love and passion and joy, and it has been our pleasure to bring this joy to Cape May. We are so happy to be here, together, with all of you.

Thank you for being a part of this
